Jennifer Odom Spirit Award

Candidates, either male or female, must be junior barefoot Skiers (16 years and under) who display a spirit of helpfulness, a positive attitude, enthusiasm, the ability to get along well with other skiers and officials, good sportsmanship, and a willingness to share positive experiences with peers. Candidates do not necessarily have to be champion skiers. Jennifer Odom Spirit Award candidates will be nominated by the appointed officials at each of the five Regional Championships and submitted in writing with a skier's biography to the ABC Awards Chairman, Stew McDonald. The recipient of the award will be announced and honored at the ABC Awards banquet on Saturday evening. This memorial award is in honor of Jennifer Odom, a former junior girls National Barefoot Competitor, who was abducted in Pasco County Florida in February of 1993 and later found murdered.
